

**Order number:** 23710018**Open text field 1:**

The ZAS 188 adaptor plate is suitable for the CAS 180 parabolic antenna with ZAS 181 feed system mounting

Compact or modular design Kathrein feed systems can be used, e.g. EAS 483, EAS 484 or EAS 485, EAS 124 and EAS 126

The ZAS 188 provides a continuous setting facility for feed systems. As a result, any satellite combinations can be optimally adjusted

For set-up see user instructions

**Hersteller:** Kathrein

## ZAS 188

### Product information "ZAS 188"

Multi-feed adaptor plate for CAS 180, up to 3 satellite positions possible, typical orbit distance up to max. 10.5°

**Type:** ZAS 188

**Order no.:** 23710018
